2021 – 2023 Disadvantaged Business Enterprise Goals

SARTA is updating our goals for the next upcoming three fiscal years. Currently SARTA has an overall goal of 5%. However, in the recent years with the lack of projects, the health crisis, and other various delays we have not been able to meet these goals.

In the coming years SARTA has the following upcoming projects:

236220	Remove Glass Doors and Block Up Doorway for Security.	\$ 4,000.00
238320	Repaint Exterior of building and loading area	\$ 5,000.00
237110	Rebuild all of the existing storm drains to ensure stability.	\$ 7,500.00
238110	Patch/Replace sections of the concrete that are in need of repair.	\$ 10,000.00
238110	Install Sidewalk along Whipple to north property line to eliminate people walking through the grass and around the wall	\$ 15,000.00
238210	Installation of Backup Generator to allow backup to entire facility and fueling infrastructure.	\$ 300,000.00
238210	BV is the emergency backup location and was designed for a back-up generator but does not have one.	\$100,000.00
238330	Replace existing flooring with smooth tiles to allow for easier cleaning and maintenance.	\$ 12,000.00
238330	Remove Carpet and install industrial flooring tiles.	\$ 10,000.00
238350	Update all Bathrooms/Fixtures/Dividers to Industrial.	\$ 10,000.00
236220	Expand SARTA main facility to include Maintenance, Garage, Midwest Center of Excellence Training - Multiyear project	\$165,400,000.00

Keeping these projects in mind and the relative amount of DBE's in the area to complete these projects we have set our upcoming goal at 2%.

Please direct any questions you have regarding these or other upcoming DBE possibilities to SARTA's DBELO: Emily Kimble (330)-477-2782 ext. 508 ekimble@sartaonline.com.
