2024 – 2026 Disadvantaged Business Enterprise Goals

SARTA is updating our goals for the next upcoming three fiscal years. Currently SARTA has an overall goal of 2%. However, in the recent years with the lack of projects, the health crisis, and other various delays we expect to increase this.

In the coming years SARTA has the following upcoming projects:

NAICS Code	Project	Amount of DOF Funds on Project
236220	Renovation to SARTA Main Facility, Infrastructure of Wayne County Facility.	\$ 4,00,000.00
332312	Constructing a Canopy to protect vehicles	\$ 120,000.00
238110	Concrete work for the canopy	\$ 24,000.00
238320	Repaint Exterior of the main facility building	\$ 16,000.00
484220	Delivery of gravel for parking lot at Cornerstone Transit Station	\$ 2,000.00
423320	Purchase stone for parking lot at corner stone transit station	\$ 24,000.00
238210	Electrical upgrades- including Installation of Solar panels on the roof, full facility backup at Gateway , updating the garage fire and gas detection systems and installing a new gas and fire detection system for the CNG Compound	\$ 2,360,000.00
236210	A Facility to produce hydrogen production	\$ 7,360,000.00
332323	Make the Roof Accessible by extending the rear staircase	\$ 80,800.00
541620	Environmental Study for Streetcar	\$ 80,000.00
	Total of DOT Funds	\$ 15,066,800.00

Keeping these projects in mind and the relative amount of DBE’s in the area to complete these projects we have set our upcoming goal at 4%.

Please direct any questions you have regarding these or other upcoming DBE possibilities to SARTA’s DBELO: Eric Boylan (330)-477-2782 ext. 521 eboylan@sartaonline.com
