

Board of Trustees Meeting

September 25, 2024

5:00 PM

**Stark Area Regional Transit Authority
Board of Trustees Meeting
July 24, 2024, @ 5:00 PM**

Mr. Reinhard called the meeting to order at 5:03 PM.

Attendance

Board (Quorum Present)

James Reinhard (Vice President), Gregory Blasiman, Myra Watkins, Rex Morey, Kaitlyn Kowicki, and Margaret Egbert.

Excused

Ronald Macala, NaSheka Combs-Lemon, and Chet Warren.

Ms. Egbert moved to accept the excused absences. Mr. Blasiman seconded the motion; the vote passed unanimously.

Staff

Kirt Conrad (Executive Director/CEO), Mark Finnicum (Chief Operating Officer), Craig Smith (Director, IT), Clayton Popik (Director, Development & Special Projects), Tammy Marie Brown (Director, HR), Carrie Domer (Director, Finance), Michael Mouser (HR Benefits Manager), and Sheila Gines (HR Administrator).

Other

Paul Malesick (KWGD)

Mr. Smith's guest – Mr. Terrique Shaw

Approval/Correction of Minutes

June 26, 2024

Mr. Blasiman moved to adopt the minutes of June 26, 2024. Ms. Watkins seconded the motion; the vote passed unanimously.

- **Board Committee Report**
 - There was no finance committee meeting held. SARTA was awarded the largest grant we have ever received. Perhaps we can have a finance committee instead of the Board's work session in August to discuss the particulars of the grant. Mr. Conrad stated that he believes that waiting later in September would put us in a better position to go over it line for line.

Departmental Reports

- **Transportation & Maintenance**
 - SARTA will receive the last six (6) new vehicles mid-August.
 - Currently, operations are gearing up for the Hall of Fame Enshrinement.
 - Over 1,000 individuals were transported by SARTA over three (3) days for the Hall of Fame Village flag football national tournament.
 - This new August bid is posted and will begin this following Monday.
 - Ms. Brown will be hiring a new class of CDL drivers.
 - SARTA had one of their drivers pass away at the end of last week.

- **Finance**
 - SARTA is currently under budget.
 - Finance has been working through several open RFPs.
 - We are working on cleaning up our fixed assets and clearing other accounts.
 - This is a reminder that the account statement has an account called miscellaneous. The miscellaneous section is where the fixed asset cleanup is located.

- **Special Projects & Development**
 - SARTA held its grand opening at the Massillon Transit Station. We had a rider focus from 10 AM to 2 PM. There were some partner agencies with resource tables set up. A couple of food trucks were also present. It all seemed to be well received. In attendance was SARTA Board Member, Margaret Egbert. Senator Brown's Office, Jordan Pennell. Stark County Commissioner, Richard Regula. Massillon's Mayor, Jamie Slutz. A representative from Congresswoman Emelia Sykes's Office, Aja Mixon. Ken Emling, Project Architect with Richard Bowen + Associates.
 - Latrice's team presented the promotion of SARTA Connect, which officially launched this past Monday, well at the grand opening.
 - The Massillon building completion is winding down. Only a few items remain on the punch list for the contractors to complete.
 - The landscaping around the Gateway Administration building is now complete. Mark's team from Building and Grounds helped immensely with taking care of the grounds. Larry has diligently been tending to the watering and care needs of the new landscaping. The Administration building is complete, apart from a few punch list items that the contractors will complete shortly.
 - Wayne County Transit is maintaining about 800 trips a month between SARTA and Via. Last Thursday, several SARTA employees attended their last

public hearings discussing the ending of the Wayne County Transit program. The public is upset about losing the public transportation component in the area, which is the part SARTA was handling. The Wooster system will remain in place. It is a very unfortunate situation for them.

- **Customer Relations**

- The outreach and marketing team will represent SARTA at the Stark County Fair at the end of the month from the 27th to the 1st.

- **Information Technology**

- IT is beginning the computer refresh of all computers five (5) years old that have extended past their warranty.
- The ticket validators have been delivered.
- Ticket Vending Machines are expected to be shipped next Tuesday and should arrive by the following Monday. We project to have them installed and working by August 30 in the Alliance and Massillon Transits.
- The Trapeze 21 upgrade is still going well. Once this is complete, the last two (2) projects on the list—the on-site yard management and the Trapeze workforce management—will begin simultaneously.

Discussing the ERP resolution being brought before the Board this evening, is there anything the Board should know about before deciding? IT spent over a year evaluating different vendors and software packaging. We hired a consultant who helped us choose the original Microsoft GP program that we purchased for a million (\$1,000,000.00) dollars in 2004. Currently, a new system is needed because the Microsoft GP program is no longer supported. The new system will have more functionality than we currently have. For example, Grant tracking capability.

- **Human Resources**

- Coach Operator Tom McFarlane passed away. It was beautiful to see all the support from the staff, who tied ribbons on the buses and participated in the horn salute at Cornerstone Transit Station. Many employees also attended Tom's funeral service. It is wonderful to see the care that we have as a SARTA family.
- HR is hiring twelve (12) CDL Coach Operators. We will begin the interviews this week. We are now conducting them in group interviews, which we found more efficient when there were no-shows.
- A new Building and Grounds Technician and Service Technician will begin the following Monday.

- We have several resolutions this evening. One is for a new insurance broker. We are currently reviewing two (2) bids for our vending machines and coffee at all our locations.
- We did not receive any bids for our drug and alcohol, coupled with DOT physicals. We are having issues with our current vendor and need to get creative. We are going to look into splitting this up. Mid-year reviews are being processed and are going well.
- **Communications from the Executive Director/CEO Updates**
 - As stated in the update, we are looking into an open house/grant check presentation from the FTA on August 15. Congresswoman Emilia Sykes and other officials will attend.

Resolution

#21 – A Resolution To Dispose Of Obsolete And Unusable Vehicles

Ms. Egbert moved to adopt the resolution. Mr. Blasiman seconded the motion; the vote passed unanimously.

#22 – A Resolution To Purchase Two (2) 40' Electric Powered Buses From Motor Coach Industries

Ms. Egbert moved to adopt the resolution. Ms. Watkins seconded the motion; the vote passed unanimously.

#23 – A Resolution Authorizing The Executive Director/CEO To Enter Into A Contract With Infor Public Sector For The Purchase Of Enterprise Resource Planning (ERP) Software

Ms. Egbert moved to adopt the resolution. Ms. Kowicki seconded the motion; the vote passed unanimously.

#24 – A Resolution Authorizing The Executive Director/CEO To Enter Into A Contract With Taylor Oswald Agency For Insurance Brokerage Services

Mr. Morey moved to adopt the resolution. Mr. Blasiman seconded the motion; the vote passed unanimously.

#25 – A Resolution Authorizing The Executive Director/CEO To Enter Into A Contract With Innis Maggiore For Marketing Services

Ms. Kowicki moved to adopt the resolution. Ms. Egbert seconded the motion; the vote passed unanimously.

#26 – A Resolution Authorizing The Executive Director/CEO To Terminate Services To Wayne County Effective At End Of The Service Day On Saturday, August 31, 2024

Mr. Blasiman moved to adopt the resolution. Mr. Morey seconded the motion; the vote passed unanimously.

#27 – A Resolution Authorizing The Executive Director/CEO To Enter Into A Contract With Huntington National Bank For General Banking Services

Ms. Egbert moved to adopt the resolution. Ms. Watkins seconded the motion; the vote passed unanimously.

Adjournment

Ms. Egbert moved to adjourn the meeting at 5:53 PM. Ms. Kowicki seconded the motion.

Transportation & Maintenance

Mark Finnicum
Chief Operations Officer

PROJECT REPORT

August 2024

PROJECT NAME	PURPOSE	PHASE	EST. COST	% COMPLETE
Massillon Transit Center	SARTA vacated the former space on Erie Street in favor of having a standalone building with more space for buses, passengers, and staff on Tommy Henrich Drive NW.	Active	\$5.2 million	99%
New Administration Building	SARTA acquired funding for a new administration building to relocate up to 20-members of the administrative staff and additional meeting space.	Active	\$6.9 million	99%
Wayne County Transit	SARTA works in partnership with Community Action Wayne/Medina to receive funds to provide curb-to-curb demand response services to Wayne County.	Complete	\$1.2 million/year	Ended 8/31
SARTA Connect	SARTA will begin to pilot on-demand services in the Massillon area and SW Stark County. This will be open door and allow passengers to ride public transit who do not have access to fixed route and/or do not qualify for Proline.	Active	NTE: \$2.4 million	Ongoing
Hydrogen Station Upgrades	Air Products will be upgrading SARTA's Hydrogen station capacity to allow for additional vehicle types to be fueled at the islands and including new dispensers with point-of-sale capabilities. The Hydrogen storage tank will also be replaced to achieve additional capacity.	Active	\$2.0 million	0%
LoNo Award (5339c)	This award will be used for future projects further described below. These include asphalt replacement, garage roof replacement, the hillside driveway, and the Operations Building renovations,	Planning	\$17.3 million	0%

Massillon Transit Center

Project Description and Scope:

Due to the need for more space and amenities in Massillon, SARTA decided a new transit center would need to be constructed on Tommy Henrich Drive, NW. SARTA began by vacating the space currently held on Erie Street and establishing a temporary site at the location of the new building. SARTA would fully own this facility and be a free-standing structure with an adjacent 10-space parking lot.

Bowen and Associates created the design, which has some resemblance to the Belden Village Transit Center. This 5500-square-foot building would allow passengers to conveniently transfer between routes in a climate-controlled waiting room with restrooms, customer service, employee break space, and an additional workspace for multiple CSRs to operate from the building. The construction company would create a bus lane with room for six buses to come in at one time in a circular pattern around the building would be constructed, making accessibility between the bus and the building accessible.

The project went to bid in mid-2022 and a contract was awarded to Stanley Miller Construction in November of that year through Board Resolution #45, 2022. They will act as the prime contractor to oversee all aspects of the building's construction. In addition to Bowen and Stanley Miller's involvement, Omnipro Services was hired as the owner representative and onsite construction management.

Project Approval:	10/26/2022	Project Manager:	Clayton Popik
Estimated Project Cost:	\$6.2 million (Est. planning, execution, close-out)		
Notice to Proceed:	01/09/2023		
Anticipated Substantial Completion:	02/28/2024		
Anticipated Contract Closeout:	06/28/2024		
<u>Funding Source for Project Cost</u>		<u>Contracted Vendor(s)</u>	
Federal: 5307	80%	Stanley Miller Construction	\$5,120,765.00
Local: UTP	20%	Bowen and Associates	\$571,900.00
		Omnipro Services	\$463,809.76

Project Status:

With final concrete installations complete and seals installed on the overhang, Massillon will be moving toward completion in the coming weeks. Several items resulted in the project running approximately two months behind schedule. Overall, there was timing amongst subcontractor work that was hard to get in sync, as well as the removal of temporary bus stop amenities and utility pole relocation that had to happen before phase II could begin. This project is down to punch list items and should close out soon.

Gateway Expansion - New Administration Building

Project Description and Scope:

Having seen much growth in the administrative staffing over the last 5-10 years, SARTA saw fit to meticulously plan for an expansion of the main campus on Gateway Boulevard. This project, carefully phased out through various individual projects from land acquisition to a new Administration Building to new points of ingress and egress for the facility, is a testament to our commitment to strategic growth and development.

For this phase, a new 13,000-square-foot administrative building would be constructed to include 21 additional workspaces and five meeting rooms. There will also be added break space for those working from the building. Departments to relocate to the new building would be the Executive, Human Resources, Finance, and Integrated Technology. This building will be constructed adjacent to the north wall of the garage building with an access point cut through the wall of the garage.

Project Approval:	10/26/2022	Project Manager:	Clayton Popik
Estimated Project Cost:	\$7.5 million (Est. planning, execution, close-out)		
Notice to Proceed:	11/07/2022		
Anticipated Substantial Completion:	02/17/2024; 03/20/2024		
Anticipated Contract Closeout:	04/17/2024; 08/29/2024		
<u>Funding Source for Project Cost</u>		<u>Contracted Vendor(s)</u>	
Federal: ODOT Flex, 5307, 5339	80%	Vendrick Construction, Inc.	\$6,946,250.59
Local: UTP	20%	Bowen and Associates	\$629,790.76
		Omnipro Services	\$520,067.70

Project Status:

This project has completed all major components, with only a few minor punch list items to finish as of August 16th. Closeout should occur sometime in September. This project mainly stayed on schedule, with adjustments made to the official schedule due to anticipated delays caused by the coordination of other projects to be completed during construction.

We were honored to host Congresswoman Sykes, Canton Mayor, William Sherer, SARTA Board of Trustees, FTA Deputy Regional Administrator, Ajay Garg, SARTA staff, transit colleagues, and various other community partners for a successful grand opening celebration. The event also marked the presentation of the \$17.3 million 5339c LoNo award, which will continue to fund various capital projects for SARTA over the next 3-5 years. The day was filled with food, networking, and optimism for what lies ahead for SARTA. We extend a huge thanks to all the staff who contributed to making this event a success.

Wayne County Transit (WCT)

Project Description and Scope:

SARTA has become the designated recipient of funds to operate a countywide demand response system in Wayne County. This service will be open-door transit from approximately 6 am to 12 am Monday through Saturday. SARTA was approached about possibly becoming the primary service provider in Wayne County several years ago. Through ODOT, SARTA can apply for funds to operate this service in Wayne County using a mixture of Federal and State funds provided by them. The Wayne County entities will be responsible for coming up with any required local shares.

Using these funds, SARTA will procure vehicles, provide operators, deliver a specified number of runs, expand the Trapeze suite for booking rides, book rides, provide customer service, and provide other various administrative functions for Wayne County Transit. All expenses and time spent on WCT tasks will be charged to the grant funding provided by ODOT.

Project Approval:	02/24/2021	Project Manager:	Clayton Popik
Estimated Project Cost:	\$1.2 million per year (Est. Operating)		
Est. 3 Future Yrs. Operational Cost:			
Notice to Proceed:	N/A		
Anticipated Substantial Completion:	N/A		
Anticipated Contract Closeout:	N/A		
<u>Funding Source for Project Cost</u>		<u>Vendor(s)</u>	
Federal: ODOT	80%	SARTA	
Local: ODOT	20%		

Project Status:

SARTA was able to provide service with funds passed through ODOT beginning in March of 2021. By mid-2022, ridership had increased exponentially through both the general public and an agreement put in place with the Board of Developmental Disabilities. Ridership steadily grew through the end of 2022 and into the beginning of 2023. Knowing that ODOT would not continue to fund WCT at 100%, talks with Community Action, the Wayne County Commissioners, and the city of Wooster began over the identification of local funding sources in early 2023. Ridership was starting to max out for what SARTA could provide alone. A partner provider would need to be identified. A scope was written in mid-2023 to procure some additional help. There seemed to be little to no assistance on the Wayne County side of this partnership for funding or providers. By November, SARTA scaled back the available runs from 20 per day to 7. ODOT was informed of this decision, and they claimed this would put WCT more in line with service levels of other rural transits operating throughout Ohio. By early 2024, SARTA had contracted with Via to provide 2-3 additional runs for Wayne County. They would act as a pass-through provider, and if a request could not be honored on a SARTA run, Via would be contacted to perform the ride. By mid-2024, SARTA decided that WCT would end service in Wayne County as of August 31st, per ODOT. ODOT will continue to assist Wayne County in

identifying a recipient, writing a Transit Development Plan, and reestablishing service at a later time. SARTA assisted ODOT in compiling as much data from the last three years as possible to begin drafting service plans. SARTA also attended ODOT’s public hearings for the termination of services. Through these hearings and the online comment form provided by SARTA, residents and riders could voice their concerns over the loss of service to their elected officials. The public understands that this was not SARTA’s decision to end service.

For the months of July and August, WCT provided 1455 trips, with SARTA completing 1283 of those and Via the other 172. Work trips remained the number one reason people rode with WCT, accounting for 84.81% of the total trips provided this past year. The charts below illustrate some of the WCT ridership trends throughout the year.

SARTA Connect

Project Description and Scope:

SARTA has been working on a way to begin microtransit for several years. With the need to procure an additional provider to assist in Wayne County, a second procurement would be made through Via, which would provide on-demand services in Stark County. This service would operate like Lyft or Uber and be based around each of the four transit centers. Pre-booked rides can also be booked in the rural areas of that part of the county, with ride requests being made by 5 pm the night before. This service will slowly launch in quadrants around the county between 2024 and 2025, with the final component being the Sunday service. The on-demand service will help provide first-mile/last-mile solutions for accessing fixed routes and full trips within the prescribed area, while the pre-booked service targets those in rural areas with no access to fixed routes or Proline.

Project Approval:	12/13/2023	Project Manager:	Clayton Popik
Estimated Project Cost:	NTE \$2.4 mill. (Est. planning, execution, close-out)		
Notice to Proceed:	04/17/2024		
Project Commencement:	07/22/2024		
<u>Funding Source for Project Cost</u>		<u>Vendor(s)</u>	
Federal award		River North Transit LLC/Via	
Local match			

Project Status:

SARTA Connect launched on July 22nd in the Massillon/Navarre area for the on-demand component and the greater southwest Stark area for the pre-booked trips. To date, there have been:

- 1015 Completed Trips
- 567 Accounts Created
- 41 Riders Booked 5+ Rides
- Average Rating = 5 Stars
- 53 Individual Riders
- Average Trip Length = 9 Minutes

Most of these trips have been on-demand, but a few have been pre-booked. We plan to do more outreach in the pre-booked area outside Massillon. Zone 2 will be based in the Canton area surrounding the Cornerstone Transit Center and the greater southeast Stark County area. Like Massillon, riders can book on-demand rides to get to their destinations within the zone or make connections with fixed routes to get to other places. The goal is to have this launched sometime in October.

Project Queue

Hydrogen Upgrades:

We are still working through supply-chain issues to finalize upgrades to the hydrogen compound and fueling stations. This project will consist of increased fueling capacity, a point of sale for selling hydrogen, and increased storage capacity. It will most likely be completed in several stages throughout 2024 as components become available.

Centralized Call Center:

We continue working with IBI Group and NEORide to finalize our plans to host a centralized call center for northeast Ohio transit authorities that wish to participate in this project. We are working out the operational and personnel logistics to start this. SORTA began a similar project last year through SORTA in southwest Ohio.

Hillside Driveway:

Part of SARTA's recent 5339c LoNo award will go toward the construction of a second Gateway Boulevard entrance for visitors and staff coming to the Administration Building. This will help separate some of the conflict points between cars and buses and create a second point of ingress and egress from the property. This was to be part of the original Gateway Early Sitework project, but it was delayed due to funding.

Garage Roof Replacement:

Another part of the 5339c LoNo award is for replacing the garage roof, which is nearing the end of its warranted life. Some minor repairs have been needed over the last year.

Parking Lot Paving:

With the continual construction traffic over the last three years and our use, the asphalt portions of the parking lot have seen a lot of wear and tear. Pavement grinding and replacement is another project that has received funding through the 5339c LoNo award.

Operations Building Renovation:

As we complete the Administration Building and move staff into it, we will fully understand the needs of the current Operations Building. It will continue to house two departments – Operations and Customer Relations. We have been working with Bowen to come up with a renovation plan that will allow the building to contain some of the same features that were incorporated into the new building, such as increased break space for employees, upgraded restrooms, a new elevator, and more workspaces to reduce the number of shared workspaces where there may be 2-4 people working at a time. The centralized call center is also essential to renovating this building to create space for the staff that would help operate it. This renovation also received its total Federal share from the 5339c LoNo award.

- There were issues with the PinPoint website and analytics was not collected for the month of July.

Transportation Contracts

SARTA's Contract Services provided 8 more rides August 2024 versus Aug 2023. Contract trips are up from last year due to having new school year trips starting. August 2024 is the last month of Wayne County Transit.

Community Outreach & Training

In the month of August, while our new Outreach Specialist is still in training, our Outreach Specialists have been working to get information out to the public about updates related to operations. Some of the things that have been done are:

- Community Outreach
 - Back to School Giveaway- Edward Peel Coleman Center
 - Massillon Fun Fest- Downtown Massillon
 - Alliance Commons Safety Day -Alliance Community Center
 - Peoples Baptist Health and Wellness Resource Fair-People's Baptist Church
 - MLK Parade-Alliance Memorial Park
 - Stark County Fair- Stark County Fairgrounds

- Wheelchair Assessments- Stark and Wayne Counties

- Social Media Post and Web Updates
 - Route Detours
 - SCORE Card- SARTA's new Tap Card Payment System
 - SARTA Important updates on Fare Transition
 - SARTA Next Stop Podcast

Answering questions via the phone about using SARTA services.

Director of Information Technology, SARTA

PROJECT REPORT

August 2024

PROJECT NAME	PURPOSE	PHASE	EST. COST	% COMPLETE
Installation of JRV Validators for EZFare	SARTA will begin outfitting their revenue fleet with JRV validators that will authenticate SARTA riders who use the EZFare app for bus fare. Currently, riders show their phone to drivers for visual validation.	Active	\$165,000	85%
Trapeze PASS/FX/BlockBuster V21 Upgrade Project	Trapeze PASS/FX/BlockBuster will be upgraded as a prerequisite for Workforce Management Software (formerly Trapeze OPS).	COMPLETE	\$10,500	100%
Enterprise Resource Planning Software Replacement	SARTA will be replacing its current ERP system (Microsoft Dynamics GP 2016 R2) with a modern, intuitive, and customizable system. Currently, the RFP for the ERP is out, and those proposals are due by Feb. 12 th , 2024.	Active	\$1.9 M	5%
Onsite Yard Management	SARTA will be implementing Trapeze's state-of-the-art Ultra-Wideband (UWB) yard location technology. The features provided by this real-time location system ("RTLS") technology enable vehicle location throughout the fixed-bus parking and maintenance facility coverage areas, as well as augmentation of vehicle position at Gateway.	Active	\$704,000	1%
Trapeze Workforce Management (OPS)	Trapeze Workforce Management is a solution that is fully optimized to manage the transit workforce, empowering our team to meet ever-changing service and rider demands, and will maximize operational and cost controls.	Active	\$558,325	2%
Cashless Ticket Vending Machine (TVM-e)	SARTA is adding more Ticket Vending Machines to its transit centers. SARTA is installing three (3) new cashless TVM-e machines to give riders more access to purchase SCORE Cards and LUCC tap cards.	COMPLETE	\$189,570	100%

Installation of JRV Validators for EZFare

Project Description and Scope:

SARTA will begin outfitting their revenue fleet with JRV validators that will authenticate SARTA riders who use the EZFare app for bus fare. Currently, riders show their phone to drivers for visual validation in order to board the bus. This process is tedious and can lead to riders boarding with 'faked' fare, such as screen shot image or a screen recording of an old EZFare QR code.

After the JRV validators are installed, the rider will place their smartphone up to the validator's bar code scanner and it will authenticate the rider's fare and announce with a loud audio beep and a green check mark for OK, or a loud buzz and red X for Not OK. The JRV Validator will only allow those fares that are current and valid to work, thus alleviating the risk of any 'faked' or phony EZFare QR Codes.

Project Approval:	June 14, 2021	Project Manager:	Craig Smith
Estimated Project Cost:	\$165,000.00	(Est. planning, execution, close-out)	
Est. 3 Future Yrs. Operational Cost:			
Execution Project Cost:	\$165,000.00	Execution Cost to Date:	\$141,369.00
Execution Start:	1/14/2022	Execution End:	04/02/2024
<u>Funding Source for Project Cost</u>		<u>Vendor(s)</u>	
Federal award	100%	Masabi	\$137,000.00
Local match	0%	Morrison Custom Welding	\$4,369.00

Project Status:

The installation of the production Masabi JRV has begun and to date we have sixty-seven (73) JRVs installed on buses in the SARTA fleet. We did not meet the goal of installing all of the fleet in 2023 due to the delay in receiving the new buses. In 2024, we have received and readied the new buses for the road. With that, SARTA has continued to install the Masabi validators to the new buses soon the entire fleet will be outfitted with the EZFare devices.

Trapeze PASS/FX/BlockBuster Version 21 Upgrade Project

Project Description and Scope:

SARTA utilizes the software package Trapeze PASS/FX for its paratransit, demand response scheduling and FX/BlockBuster for fixed route scheduling. This software is critical for many of SARTA operations such as, client management, ride scheduling and efficiency. SARTA has used this software to minimize operating costs and providing excellent, responsive service. It is also the platform that allows SARTA to provide online trip booking, real-time scheduling and service dispatching.

Project Approval:	12/25/2023	Project Manager:	Craig Smith
Estimated Project Cost:	\$10,500	(Est. planning, execution, close-out)	
Est. 3 Future Yrs. Operational Cost:			
Execution Project Cost:	\$0.00	Execution Cost to Date:	\$0.00
Execution Start:	2/24/2024	Execution End:	9/11/2024
<u>Funding Source for Project Cost</u>		<u>Vendor(s)</u>	
Federal award	80%	Trapeze Group – Software vendor	
Local match	20%		

Project Status:

The new version of Trapeze v21 was moved into production on Thursday, Sept. 4th, 2024.

Enterprise Resource Planning Software Replacement

Project Description and Scope:

SARTA will be replacing its current ERP system (Microsoft Dynamics GP 2016 R2) with a modern, intuitive, and customizable system.

Project Approval:	10/25/2023	Project Manager:	Craig Smith
Estimated Project Cost:	N/A	(Est. planning, execution, close-out)	
Est. 3 Future Yrs. Operational Cost:			
Execution Project Cost:	N/A	Execution Cost to Date:	N/A
Execution Start:	TBD	Execution End:	TBD
<u>Funding Source for Project Cost</u>		<u>Vendor(s)</u>	
Federal award	80%	Infor	
Local match	20%		

Project Status:

This project is in the RFP stage. The evaluation team has scored the bids and have completed their evaluations of each bidder. We will announce the winner of the RFP very soon and hopefully we can move forward to the new software.

Onsite Yard Management Solution

Project Description and Scope:

The primary goal of this project is to implement the Yard Management solution at our Gateway facility, which will be accomplished by deploying new Yard Manager RTLS Software and Hardware. This solution will allow the vehicle locating technology inside the Gateway facility, providing real-time vehicle location data.

At the Gateway facility, the Yard Manager solution will strengthen the overall efficiency of SARTA's transit operation by:

- Providing accurate location information for vehicles inside the Gateway facility parking and maintenance areas, thus eliminating the need for manual yard walks and enabling staff to quickly find assigned vehicles for pull-out or maintenance
- Automatically populating the parking grid in Workforce Management/OPS with the locations of parked vehicles inside the Gateway facility, eliminating the need to manually enter vehicle locations
- Providing at-a-glance situational awareness by displaying vehicle positions in map and grid views and styling them based on status information
- Tracking key status elements that drive garage performance and service readiness such as fuel and wash status

Project Approval:	4/24/2024	Project Manager:	Craig Smith
Estimated Project Cost:	\$705,819	(Est. planning, execution, close-out)	
Est. 3 Future Yrs. Operational Cost:			
Execution Project Cost:	\$0.00	Execution Cost to Date:	\$0.00
Execution Start:	10/31/2024	Execution End:	10/08/2025
<u>Funding Source for Project Cost</u>		<u>Vendor(s)</u>	
Federal award	80%	Trapeze Group	
Local match	20%		

Project Status:

This project will begin after the upgrade to Trapeze version 21 is completed.

Trapeze Workforce Management Software

Project Description and Scope:

Trapeze Workforce Management is a solution that is fully optimized to manage the transit workforce, empowering our team to meet ever-changing service and rider demands, and will maximize operational and cost controls.

Project Approval:	12/23/2023	Project Manager:	Craig Smith
Estimated Project Cost:	\$558,325	(Est. planning, execution, close-out)	
Est. 3 Future Yrs. Operational Cost:			
Execution Project Cost:	\$0.00	Execution Cost to Date:	\$0.00
Execution Start:	10/7/2024	Execution End:	03/08/2025
<u>Funding Source for Project Cost</u>		<u>Vendor(s)</u>	
Federal award	80%	Trapeze Group	
Local match	20%		

Project Status:

After completing the Trapeze v21 upgrade, SARTA is now able to begin the Trapeze Workforce Management (OPS) implementation. The kickoff for this project will be Monday, October 7th.

Cashless Ticket Vending Machine (TVM-e)

Project Description and Scope:

SARTA is adding more Ticket Vending Machines to its transit centers. SARTA is installing three (3) new cashless TVM-e machines to give riders more access to purchase SCORE Cards and LUCC tap cards.

Project Approval:	8/23/2023	Project Manager:	Craig Smith
Estimated Project Cost:	\$189,570	(Est. planning, execution, close-out)	
Est. 3 Future Yrs. Operational Cost:			
Execution Project Cost:	\$148,000	Execution Cost to Date:	\$148,000
Execution Start:	10/1/2023	Execution End:	9/5/2024
<u>Funding Source for Project Cost</u>		<u>Vendor(s)</u>	
Federal award	80%	Genfare, LLC.	
Local match	20%		

Project Status:

SARTA received the three (3) cashless Vendstar-e Ticket Vending Machines from Genfare. These vending machines will be placed at Massillon Transit Center, Belden Village Transit Center, and the Alliance Transit Center. After receiving the TVM-e machine, they were installed and configured within two (2) weeks. They are currently at each of their respective locations and servicing the public.

FMLA/Continuous Leave/Transitional work

- 0 on transitional work
- 3 employees on FMLA continuous leave
- 14 employees on FMLA intermittent leave
- 3 employees on Short-Term Disability

General Human Resources Functions

- 8 team members achieved the 2nd quarter activity wellness goal, and 8 team members achieved the 2nd quarter weight loss goal.
- One (1) new YMCA membership submitted.

Training

- Currently training one (1) new mechanic to obtain his CDL license.
- Currently training twelve (12) new CDL Coach Operators; the class began on August 26, 2024.
- CPR training continues for all drivers who expire this calendar year.
- Annual refresher training for all drivers has begun and will continue throughout the rest of the year.

- The trainers are training all employees on Fraud Detection as required by the State of Ohio.

Talent Acquisition

- Generated 257 Unique Applications for the Coach Operator-CDL position.
- Scheduled 72 Interviews for the Coach Operator-CDL position.
- Offered 21 Applicants the Coach Operator-CDL position.
- Orientation is scheduled for 8/26/2024 for the applicants who have completed and passed their pre-employment screenings.

Employee Engagement Survey Results

- Human Resources have been conducting 3-month and 9-month surveys for new hires and promotion/position changes. This creates two touch points with the HR department to help team members through their first year.
- These surveys have been collected over the past 18 months.
- All questions are selected to evaluate engagement levels, as well as opportunities for improvement for development with employees.
- We have completed 77 three-month surveys and 20 nine-month surveys.
- The results of the scale questions are listed below.

BROWN ANNOUNCES INVESTMENT FOR NEW BUSES IN NORTHEAST OHIO

 SHARE

 TWEET

 EMAIL

 PRINT

WASHINGTON, D.C. – Today, U.S. Senator Sherrod Brown (D-OH) announced new investments to replace outdated buses with new vehicles in Northeast Ohio.

The federal investments for the Greater Cleveland Regional Transit Authority (GCRTA) and the Stark Area Regional Transit Authority (SARTA) will help the agencies improve their infrastructure to support bus operations and are made possible by the Bipartisan Infrastructure Law, which Brown helped to write and pass.

“This investment will mean new pollution-free buses and better service for Ohioans riding the bus to work or school,” said Brown. **“The Bipartisan Infrastructure Law that we passed is connecting communities and making it easier for Ohioans to get around.”**

Investments include:

- \$10,633,105 to the Greater Cleveland Regional Transit Authority (GCRTA) to replace old buses with pollution-free buses in high ridership areas and install new infrastructure to support bus operations.
- \$17,254,229 to the Stark Area Regional Transit Authority (SARTA) to support their sustainable transit program, investing in new fueling infrastructure for SARTA’s existing fuel cell bus fleet and infrastructure improvements to SARTA’s operations facilities.

The Department of Transportation’s Buses and Bus Facilities Grant Program awarded the investments.

CANTON

SARTA holds event highlighting recent grants, growth plans over next 3 years

Robert Wang Canton Repository

Published 6:06 a.m. ET Aug. 16, 2024 | Updated 6:07 a.m. ET Aug. 16, 2024

CANTON – The Stark Area Regional Transit Authority held an event Thursday afternoon highlighting what it has done and will do with tens of millions of dollars in state and federal grants to expand its office space and infrastructure.

SARTA CEO Kirt Conrad held a ribbon-cutting ceremony to mark the April opening of a new 13,000-square-foot office and meeting space at SARTA's Gateway headquarters in Canton at a cost of about \$9.2 million in state and federal grants.

The event featured the handing over of a large symbolic check for \$17.25 million from a federal grant announced in July.

Related: SARTA lands largest grant ever at \$17.2 million

With the money, SARTA will, over the next three years, renovate its original Gateway offices, build its new call center, install solar panels on the roof of the building to cut how much SARTA takes from the electrical grid by a third, and build a 1.2-megawatt electrolyzer facility that will generate about 400 kilograms of hydrogen gas per day to fuel its hydrogen vehicles.

Currently, SARTA imports hydrogen gas by truck from a facility in Ontario to fuel its 23 hydrogen buses.

Conrad said the electrolyzer, to be completed by 2027, would not only provide enough fuel for SARTA's hydrogen vehicle fleet, which he indicated he wants to expand, but also provide hydrogen gas fuel for private companies in the area.

A contractor SARTA hires will build the electrolyzer by SARTA's hydrogen refueling facility at its Gateway headquarters.

“This is the largest single grant we have ever secured, and the funding it provides will fuel our ongoing drive to build upon our status as a state, national, and world leader in the development

and deployment of zero-emission technology in the public transit space,” Conrad said in a written statement issued after the event.

Plans for growth

Conrad wrote that the original Gateway headquarters cannot accommodate SARTA's planned growth.

The grant also includes funds for SARTA to establish a workforce development program with Stark State College and R.G. Drage Career and Technical Center to train students for jobs in an emerging hydrogen industry.

Conrad said SARTA received \$15 million in a variety of state and federal grants around 2021 to expand its current building for about 20 new offices and five conference rooms for administration, finance, information technology and human resources departments, as well as a health clinic for employees. The new facility includes a walking path and additional parking.

SARTA, at a cost of about \$1.1 million, acquired part of Crenshaw Park from the city of Canton and the Stark Metropolitan Housing Authority for 10 acres of land for the expansion, said Conrad.

Utility relocation and work with the soil commenced around 2021, with building construction starting around 2022. SARTA added 80 parking spots.

The relocation of SARTA staff to the new offices helps free up space in the original part of the Gateway headquarters to build a new call center, whose operations would be funded by SARTA and at least four other transit agencies in Ohio.

Conrad said the new center would feature 10 additional employees joining the 12 current SARTA dispatchers who work in a space by a break room. They, along with staff at another call center, would coordinate providing transit trips across county lines as part of a regional network.

The \$17.25 million would cover the costs of building the new call center and installing a new roof at the Cornerstone Transit Center in downtown Canton, along with repaving the parking lot and building a new access drive.

About \$4 million of those funds would pay for the installation of an electrolyzer that would split atoms of water and convert them into hydrogen gas, with electricity generated in part from the solar panels installed on the Gateway headquarters roof, Conrad said.

Several government officials attended the event in the new Gateway office space. They included U.S. Rep. Emilia Sykes, D-Akron, who sent a letter of support for the grant funding to the U.S. Department of Transportation; Stark County Commissioner Richard Regula; State Rep. Scott

Oelslager, R-North Canton; Canton Mayor William Sherer II and Massillon Mayor Jamie Slutz; SARTA board members; Ajay Garg, the deputy regional administrator for the Federal Transit Administration, who is charged with overseeing the federal grants; and Thomas West, the CEO of the Greater Stark County Urban League.
